

IGBO Community Gives Back Program

🌟 What's It All About?

IGBO is rolling out a brand-new way for our leagues and tournaments to make a difference in their communities. Over the next 12 months, you can host a **charity drive** — food, toys, clothes, or other essentials — and IGBO will say “thank you” by sending a **\$100 donation** to the charity you supported.

It's simple: you give back locally, and IGBO helps amplify your impact.

🎯 Why Join In?

- Spread kindness in your community.
- Get your league or tournament featured in the **IGBO Newsletter**.
- Inspire others with your story and photos.
- Help IGBO show the world that bowlers care!

📝 How It Works (Step-by-Step)

1. Plan Your Drive

- Collect food, toys, clothing, or other items for a local charity.

2. Complete the IGBO Community Gives Back Form

- Share the charity's **name and address**.
- Write a short **description of your efforts** (this will go in the newsletter).
- Add **optional photos** to show off your team spirit.

3. Submit Your Form

- Send it to IGBO for review.

4. IGBO Donation

- IGBO will send a **\$100 check** to your chosen charity.
- **Note:** The IGBO Treasurer will issue all checks **by the end of the calendar year** (not immediately after submission). This way, donations can be grouped together and sent at a convenient time.

5. **Celebrate Your Impact**

- Your story (and photos, if provided) will be featured in the **IGBO Newsletter**.
- Share your success on social media with **#IGBOGivesBack**.

Program Timeline

- Runs continuously for **12 months**.
- Submissions accepted anytime during the year.
- Newsletter features published quarterly.
- Donations disbursed by **December 31** each year.

Ready to Roll?

Every league and tournament can participate **once per year**. Don't miss your chance to shine a light on your community and show how bowlers give back!
